What we Do

HOTELS

OFFICE SPACES

RETAIL

RESTAURANTS

LARGE VENUES

Transform your venue into a festive wonderland, completely bespoke to you and your vision. You will receive a personal, bespoke service, ensuring that attention to detail is maintained at every stage of the process.

HOW IT works

01 CONSULTATION.

Our highly experienced team come to you and discuss your needs and wants. Perfectly curating a bespoke solution for your brand or venue.

02 DESIGNING IT.

The in-house design team get to work, turning your vision into a design which then needs your approval to go ahead.

03 BUILD.

Once the design stage is done we move to the making part. We bring together all components and turn the designs into reality.

04 INSTALLATION.

Our professional installation team get to work, carefully and methodically installing and dressing your Christmas display.

05 REMOVAL.

When you are finished with your creative display or Christmas dressing, we come in and remove all items and leave the area as if nothing was there.

BRINGING THE *magic*

CHRISTMAS TREES

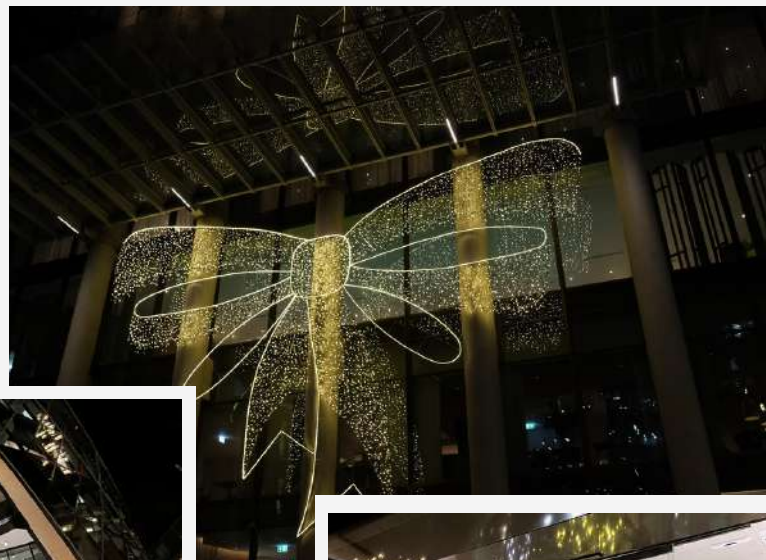

Professionally dressed trees uniquely designed around a scheme that matches your decor.

We have a large range of artificial pre-lit trees in different sizes.

EXTERIOR *LIGHTING*

Our team of professional decorators can create and deliver a Christmas scheme that looks stunning - a truly festive display!

DOORWAYS & ENTRANCES

Make a statement with spectacular entrances to your business and create that lasting impression!

Everything is handmade and made to measure.

We can transform your doorway, staircase, walk way, you name it! Inside or out.
